Hi there J,

Hope you are well!

Thanks for downloading our video guide, you will find it attached!

We love our guide, and sure you will too!

We highly recommend you book a quick connection call with us, so we can meet, understand your needs, and make sure we are a great fit in working together to get your voice and message out into the world.

Head here to book that call -->Book A Call<--

In the guide, you will find a detailed breakdown of what we do for you and what you get, but... ***there is no pricing*** because until we discuss this all with you to truly understand what you need - and that we are actually able to help you achieve this - then and only then can we discuss pricing with you.

Essentially the whole point of what we do is to work with only awesome people - building a great relationship and working closely together to grow your business and success over the long term. So we want to get to know you a little first... and then we can go from there!

So let's talk!

Cheers

Paul and Tom
